Historic Property Owners Workshop: 
Revealing the Story of Your Historic Home

A Select Bibliography

02 May 2010

In addition to the materials below, browse the stacks at UGA Main Library in the NA section (Architecture), the E’s (county and local histories) and at the UGA Science Library in the TH section (building technology). Journals like American Builder and Better Homes and Gardens can be very useful in working with 20th century houses.
