**HONOR SOMEONE SPECIAL**

The **Athens Regional Library System Memorial or Honor Program** is a practical and gracious way to pay tribute to a loved one or other esteemed person.

Request materials to be added to the Athens-Clarke County Library, or to any one of the branches in the Regional Library System, in memory or honor of the person you designate. Generally, a \$25 tax-deductible donation will purchase one book (specific titles may be more costly; please check with a librarian).

The Library completes and adds a bookplate to the book or other library material bought with your contribution.

Result: a meaningful tribute that will endure for years and be enjoyed by many in the community.
